COMPANY PROFILE

Sreema Feeds, a unit of **Sreema Rice Mill Pvt. Ltd.**, was established in **1998** by our visionary founder, **Mr. Kajal Kumar Roy**. Over the years, we have grown into one of the most renowned animal feed manufacturers in India, specializing in Aqua and Cattle Feed. We commenced our animal feed production in **2004**, and today, we have a strong presence across **15 states in India** and international markets. For the past five years, Sreema Feeds has been ranked among the **top three feed** brands in **Northeast India** and **Nepal**. In 2024, we achieved a significant production milestone of **40,000 metric tons of animal feed**. This accomplishment has strengthened our vision to expand further, with a target of reaching 100,000 metric tons in the near future. As part of our diversification strategy, in 2025, we established **Sreema Block India Pvt. Ltd.**, a building materials production company, which is set to commence operations in 2026. At Sreema Feeds, we are committed to our **“Farmers First”** policy, dedicating ourselves to continuous product innovation and development. Our goal is to empower farmers with high-quality feed solutions that enhance productivity and profitability.

Our Motto: **“Farmers Happy, We Happy”**.

KEY SPECIALTIES OF OUR FEED

- 1. Balanced Nutrition** ➤ Ideal combination of protein, fat, carbohydrates, vitamins & minerals.
- 2. High Digestibility** ➤ Made from premium-quality, highly digestible ingredients.
- 3. Advanced Manufacturing** ➤ Produced using world-class machinery for consistency.
- 4. Gut Health & Immunity** ➤ Contains beneficial bacteria for better digestion and disease protection.
- 5. Safe & Antibiotic-Free** ➤ Free from antibiotics and harmful pathogens.
- 6. Eco-Friendly** ➤ Minimizes water and soil pollution.
- 7. High Survivability** ➤ Ensures better survival rates of aquatic species.
- 8. Faster Growth & Profitability** ➤ Reduces culture period and increases farmer profits.
